**FREMS™**  
NEUROVASCULAR REHABILITATION

### **FREMS™ HOME TREATMENT**

SPEEDER WH is the FREMS™ tool for the home treatment of chronic skin ulcers. Thanks to its portability and ease of use it can be used at the patient's home.

SPEEDER WH has a touch screen display and is equipped with two stimulation channels and multiple-use electrodes. The software is intuitive and contains treatments for chronic ulcers of various etiologies and neuropathic pain.
